1. REID TECHNIQUE OF INTERVIEWING & INTERROGATION TRAINING

The Cincinnati Police Department will host two sessions of the *Reid Technique of Interviewing & Interrogation* training. Both sessions will be held at the Police Academy during the week of May 15-18, 2012. The first session is a three-day basic course conducted May 15-17, 2012. The second session, a one-day advanced course, will take place on May 18, 2012. The courses will be held between 0800 and 1600 hours each day. Dress code will be uniform of the day or casual business attire.

Personnel interested in attending the training must submit a Form 17, through the chain of command to their bureau commander, no later than Tuesday April 24, 2012. Training Section will complete the registration and notify personnel approved to attend. Officers may attend on-duty with the approval of their supervisor. No overtime will be provided for personnel attending this training. Questions regarding this training should be directed to Administrative Specialist Jim Hendricks, Training Section, at 357-7552.

2. EMOTIONAL INTELLIGENCE (EI) AND LEADERSHIP DEVELOPMENT TRAINING SERIES

As part of the Emotional Intelligence and Leadership Development Series being published by Training Section, Department personnel are encouraged to read the short article [Getting Mid-Level Managers to Step Up](#). This article was written by [Len Brzozowski](#), Executive Director of the Xavier Leadership Center, and published on the Xavier University Leadership Center website, www.xavierleadershipcenter.com.

The article discusses five distinct practices used by the United States Marine Corps leadership when developing front line supervisors –

“We want our young field managers to see that it is far more useful to forget about what their bosses should or will do, and concentrate on what they themselves can do”.

3. CALLING ALL UNIVERSITY OF CINCINNATI GRADUATES

The University of Cincinnati Alumni Association has asked Mayor Mallory and Assistant City Manager Scott Stiles to host a pizza lunch with City Employees that are University of Cincinnati graduates. UC is attempting to do this with some of the large employers in the City.

If you are a UC graduate, please contact Ms. Lisa Berning, City Human Resources, at 352-2417, no later than Monday, April 23, 2012.

4. COMPSTAT INFORMATION

[Attached](#) to these Staff Notes is the most current COMPSTAT Information. Department personnel are directed to review this information to ensure they remain familiar with crime patterns and trends occurring within the City and their areas of responsibility.

5. INVESTIGATIONS BUREAU COMMANDER'S COMMENDATIONS

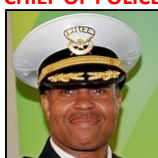

**POLICE SPECIALIST CHARLES VANOVER
POLICE OFFICER KENNETH BAKER
Narcotics and Vice Section**

On March 3, 2012, 800 pounds of marijuana was seized by the Missouri State Police as the result of an interdiction stop. It was learned that this very large shipment of marijuana was bound for the Greater Cincinnati area. Troopers in Missouri contacted the Drug Enforcement Administration (DEA) Cincinnati Resident Office to inform them of this. Police Specialist Charles Vanover and Police Officer Kenneth Baker, who are detailed to the DEA Cincinnati Task Force, spoke with the troopers from Missouri State Police and arranged for a continued controlled delivery. Specialist Vanover, Officer Baker, and the other DEA Task Force Officers (TFO'S) conducting the investigation learned that the transfer of contraband was supposed to take place in Fairfield, Ohio. During the early morning hours of March 4, 2012, the marijuana was delivered to the intended recipient, Thomas King, at an industrial park in Fairfield. Upon taking custody of the marijuana, Mr. King was arrested and officers seized the 800 pounds of marijuana.

The follow up investigation revealed Mr. King was connected to a nearby business. A search warrant was drafted and obtained. From the search, TFO's seized six valuable show cars and a Freight Liner semi-tractor. The tractor trailer (valued at \$72,000.00) was used to transport the marijuana and the show cars (valued at a total of \$329,500.00) were used by Mr. King to launder the profits from his interstate marijuana distribution organization. Specialist Vanover, Officer Baker, and other TFO's located Mr. King's residence and a search warrant was obtained and executed there. This search led to the recovery of a loaded Kel-Tec .223 assault weapon and \$15,000.00 in U.S. Currency.

The large quantity of marijuana seized in Missouri would have only impacted Mr. King's supply for a short time. Police Specialist Charles Vanover and Police Officer Kenneth Baker's tenacity, investigative expertise, and cooperative efforts led to the arrest of an interstate marijuana trafficker and the seizure of his illegally obtained assets. Mr. King's arrest surely impacted the local flow of marijuana and substantially affected and disrupted this organization's future ability to operate in the Greater Cincinnati area. Please accept my personal thanks and commendation for your commitment and professionalism displayed during this successful investigation.
